PRODUCED BY THE CHURCH FOR THE COMMUNITY

## APPLETON, EATON & BESSELSLIEGH RECTOR DESIGNATE, **KEN CAMPBELL;**

**A**s many of you will know, **Reverend Ken Campbell** and family will be joining us in October. He will be licensed by Bishop Colin the Bishop of Dorchester on Thursday 6<sup>th</sup> October at 7:30pm in St Laurence Church Appleton.

**A**ll welcome to come and support him in this **very** special event!

## *Dear Friends,*

I have been invited to write again about 'New Beginnings' and I have just reached that stage in life when I think back over time and recall a whole host of events in my life that represented new beginnings. Having said this, I have this morning also just reached that stage in my life when I searched high and low for a belt to put on my trousers only to discover that it was already there. There are also those events that my wife attempts to get me to recall but I cannot. I especially cannot recall that moment on a beach in France, when I walked fully-clothed into a toilet – which instead turned out to be an automatic shower!

When you read this, our newly licensed Rector, Ken Campbell, will have arrived - no doubt eventually with some exciting ideas about new ways ahead for our community. And our new Head-teacher, Mrs Amy Carnell, will have already completed a month in her new appointment. On 7<sup>th</sup> September the school held their 'Start of Term' service in church. In front of me sat twenty nine newly-arrived children – some smiley, others slightly nervous, all experiencing their new beginnings in school as the Foundation Year. Strangely enough, for some inexplicable reason, this year the majority of these newcomers are girls. Alongside these children were some one hundred and fifty others all moving ahead with new-beginnings in new classes.

Also, when you read this, the children in school will have completed their 3 days of Prayer Space where they will have had an opportunity to express their thoughts and feelings about New Beginnings within a safe and caring environment. When I look back in all of this, I am reminded of past events

in my own family – not just our children moving ahead with their school lives – but also such things as holidays together. In those days, we were allowed to pull down the back seats of the car and lift our children in still asleep at 2.00 a.m. Three hours or so later we would find ourselves on Dartmoor having bowls of cereal for breakfast, and watching the sun rising. Of course I reminisce, and I guess reminiscing is ok. Or is it? I make no apologies for the fact that I am a Christian – even if not a very good one – and being a Christian may sometimes offer challenges. Although of course, even if not a Christian, one still faces challenges. From a Christian perspective, we are often warned about the dangers of looking back. When a man said to Jesus, I will follow you but first let me go and bury my father, he replied, "Let the dead bury their own dead, but you go and proclaim the Kingdom". Yet again we read about another man who said to Jesus, 'Yes I will follow you but first let me go back and say goodbye to my family'; to which Jesus replied, "No one who puts his hand to the plough and looks back is fit for service in the kingdom of God". And when we begin to consider an overall picture – an overall understanding about what Jesus is 'getting at' – I believe that we are being asked to move on with our lives and to move on in his name.

Paul sums this up succinctly in his second letter to the people of Corinth, when he writes, "If we come to Jesus he says this, 'Therefore, if anyone is in Christ, he is a new creation. The old has passed away; and behold, the new has come'".

## Christmas Bazaar

This year, Appleton Christmas Bazaar will be on Saturday 26th November! Selling books, produce, toys, bric a brac, table decorations and mulled wine! You will also find a Tombola and Wine or Water? Of course there will be delicious cakes, tea and coffee but this year there will be lunch offered too!

## Appleton Society of Change Ringers

Recruits: Appleton ringers are looking for new recruits to help ring our church bells. The bells have sounded over the village since 1817 when the first 6 bells were given by Robert Southby and we no longer have enough ringers to ring all 10 bells. Most people have the ability to become a good ringer. Great physical strength is not required and people of all ages from 10 upwards are welcome. Perhaps you used to ring and would consider taking it up again? If you think you might be a little rusty, don't worry! You'll be surprised at just how quickly and easily you can pick up ringing again. If you would like to find out about learning to ring then come and see us in the tower between 7.45 pm and 9.00 pm on a Friday evening or contact us by email at [appleton.bells@gmail.com](mailto:appleton.bells@gmail.com) or phone Michele Winter on 01865 864289.

We ring at 9.30 am for the 10.00 am service on the 2nd, 3rd, and 4th Sundays of the month and from 5.30 pm for the 6.00 pm Evensong service on the 1st and 3rd Sundays.

Practice night is Friday from 7.30 pm until 9.00 pm and visitors are always welcome then and on Sundays.

Future Peal Attempts:

Saturday 12th November 10.00 am – Half muffled for Remembrance

Where peals are on Saturday mornings there will be no practice at Appleton on the preceding Friday evening.

## Women's Breakfasts

First Saturday of every other month with various speakers!

8:30 am - 10:00 am  
St Laurence Church  
5th November  
7th January  
4th March

All ladies very welcome.

## Polite Notice

It's very important that clear emergency access is always maintained to St Laurence Church. Such access - not least for emergency vehicles - is blocked when cars are parked close to either side of the gates mid-way down Church Lane.

The consequences of this if an emergency arose would be very serious and potentially life-threatening, besides totally invalidating Church insurances. Thank you for sensible and considerate parking.

## **Embo update and Harvest Giving**

For the past four years, St Laurence Church have been supporting Medic Assist International through their harvest giving, and by other means, in particular for the project in Embo, KwaZulu Natal, South Africa. The PCC have committed to continue this support for as long as the project is being supported by MAI. Embo is an impoverished black community in the Valley of a Thousand Hills with a population of around 37,000, with high rates of HIV and Aids, as well as very poor living conditions and malnourishment. Two years ago the church in Embo built a clinic with the support of MAI, and in 2015 there were over 20,000 appointments. With MAI's support the church is providing 10 caregivers who go out into the community, as well as supporting a crèche and orphanage. For the second year running I was lucky enough to join a team of Christian volunteers from MAI to go and help at the church, crèche and orphanage, while my medical colleagues helped at the clinic and with the caregivers who are doing an amazing job. I will be showing a short DVD from the trip at our Harvest Service at church at 10am on Sunday 2<sup>nd</sup> October, which will be led by John Earwicker from Christ Church, Abingdon and Executive Director of MAI. Please do come and hear more about it. You may be interested in joining a trip in the future?

*Claire Barratt*

## **Thank You**

Thank you to all who supported the Appleton Charity Bridge afternoon on Tuesday 13th September. Basking in the warmth of the hottest day in September, we raised £575 for The Children's society and St Laurence Church funds.

*Alison Jeffreys*

## **IMPORTANT NOTICE TO BUS USERS**

On Wednesday October 12th the first Oxfordshire Comet minibus service will run from Hinton Waldrist into Oxford via Longworth, Appleton and Cumnor. The minibus will leave Hinton Waldrist at 10.00am arriving in Oxford at approximately 10.45am and will return from Oxford at 1.00pm arriving back at Hinton Waldrist at about 1.45pm.

The plan is to make this a once weekly service on Wednesdays provided there is sufficient take up to make it viable. As the Comet scheme is still at the pilot stage there will be no charge to passengers for a limited period. Discussions on financing are ongoing.

The continuation of this service will depend on whether enough people use it so its future is not guaranteed at this stage. I would urge as many bus users as possible to take advantage of this new service being offered which to some degree helps to alleviate the difficulties caused by the withdrawal of the 63 Thames Travel village bus though I appreciate that the timing and day agreed for the Comet service will not suit everyone.

## More of Your Suggestions

Last month's suggestions in the new box on the counter are as follows :

- More exciting boxes or bags of chocolates and fudge
- Stock Taylor's Lazy Sunday filter coffee.

We are currently looking at a range of new stock for the shop which will include an improved selection of chocolates and fudge in time for the festive season.

If you have a good idea, suggestion or product you would like, please write it in the notebook in the suggestions box.

## Also in stock now- a new range of gluten free sauces, vegetarian and vegan friendly food. Come and try them!

## Time for Change: Consulting Our Volunteers

Shop volunteers will soon be receiving an invitation to share ideas and get involved with exciting plans for updating and refreshing the shop and how it runs.

We're not planning to change the world, just to improve our shop so that it can continue to run as smoothly as it has so far for the next 16 years.

## Want to try out Volunteering?

In particular, we currently need more volunteer help with the following:

- The Botley Co-op shopping team – join the team who replenish our basic stocks once a month on a Thursday morning at 8 am, ready for the delivery later to the shop.
- Reserve volunteers: people to join the bank of volunteers willing to help out when a regular volunteer is away.
- Producing the newspaper lists for the paperboys and girls - Once a week or fortnightly, in the shop office to assist with the work to produce the lists.  
Training can be given!

If there is anyone else out there who has an expertise that we might tap into if needed such as – Insurance/IT/Telephone systems/ Security/Health & Safety/Plumbing/Electrics – you name it – we might need it! If you don't have much time to commit but would be happy to give help if needed, PLEASE do let us know. We'd love to hear from you. Do take up the opportunity to talk to any of the Directors when you see them: Jane Cranston, Roger Gilkes, Laura Olver, Juliet Carter, Felicity Dick, Tim Jack, Jerry Uren and Brian Carroll.

## Thank you and All Change-

Sue Johnson who has kept the books for nearly five years is stepping down and Wanda Todd has kindly agreed to take over, for the time being. Our huge thanks to Sue who has quietly, and behind the scenes, made sure that our finances are kept in good order.

Thank you Sue, for all the hours you have given and continue to give to the shop.

This short piece can't end without thanking Laura Wetherall who has got off to a flying start supplying the Shop with homemade food. Laura's cakes, sandwiches and quiches are absolutely delicious and flying; because

everything flies out of the shop and we're going to have to increase the orders! Thank you Laura.

## Parking outside the Shop

Please could customers arriving by car ensure that they leave clear the area of Zig Zag lines opposite the shop? This ensures the safety of school pupils and pedestrians using this part of the road which is often very busy.

## GARDENING CLUB

Despite the usual worries by the organisers that there wouldn't be many entries for Appleton Village Show on September 4th, a good supply of entry slips duly came in just before the closing time, and there was an abundance of fine veg, fruit, flowers, handicraft, cookery and photography for the judges to assess and for others to inspect – and compare to their own efforts. Whilst some classes were not hotly contested, the number of Victoria Sandwich cakes entered was a wonder to behold. The decisions of the photography judge always seem to attract the most comments, with cookery perhaps a close second. But what would a Village Show be without some mild controversy! Many thanks to all who competed, and all who attended, and (last but certainly not least) to all who contributed to the organisation of the event. There isn't space here to record all the cup-winners, but the President's Cup for the best Show all-rounder went to Janet Thompson. Congratulations to her, and all the other prize-winners.

The Club's annual programme of winter lectures starts again at 7.30 pm on Wednesday 12th October in Appleton School. Tony Powell will lecture on 'Plants for Autumn Colour'. This will be an illustrated talk on achieving a colour balance in the autumn garden with leaves and foliage. Entry is free to members (annual subscription still only £5). Non-members are very welcome (£2 charge).

*"A huge "Thank You" to all you wonderful and generous people who sponsored me to the amazing amount of 22,165.50p towards a cyclotron scanner so badly needed in the Churchill Hospital.*

*I did my wing walk on Sunday, September 4<sup>th</sup> at Chiltern Air Field. It was a cloudy, dry and breezy day but with the encouragement of my family and friends I succeeded (with the help of a stool on the cockpit seat!) I hauled myself up onto the wing where Mike, my superb pilot, fastened me to the upright support seat and after adorning me in gaiters, goggles and bandana, he climbed into the cockpit and we were off taking to the skies in a bright yellow Boeing Stearman aeroplane.*

*It was an exhilarating experience- lovely views for miles from our 500 feet and it was fun to see my supporters waving as we banked over the buildings below-I'd have no qualms to do it again!*

*Bless you all for your contributions towards the total-great people live in the Vale!" Trish Wagstaff*
