Is your child going to Appleton Primary School  
in September?

Why not enrol them at the Pre-School for the Summer  
Term, to make new friends who will join them there!

## *Dear Friends,*

For me, one of the highlights of the past month was definitely the “Reading Breakfast” event at Appleton Primary School on Thursday 2nd March. To mark *World Book Day*, parents were invited to arrive early that morning (any time from 7.30 am!) to read favourite books with their children in the school hall, while eating croissants, pains au chocolat or generously-portioned bacon sandwiches; all of which had been prepared by staff-members who must have been up at the crack of dawn – thank you! This was *World Book Day* #20 and, as is now traditional, pupils and staff had gone to the trouble of dressing up as characters from novels, fairy-tales, poems, and history -books: it was a glorious, colourful, joyful celebration of story-telling.

In 2004, the appropriately named author Christopher Booker published his 736 page work, *The Seven Basic Plots: Why We Tell Stories*. Booker’s big idea, which he apparently spent over thirty years researching and refining, was that all the storylines of modern and ancient fiction fall into one or more of the following categories, what he calls “the seven basic plots”: 1) overcoming the monster 2) rags-to-riches 3) the quest 4) voyage-and-return 5) comedy 6) tragedy 7) rebirth. So *Little Red Riding Hood* is about overcoming the “monstrous” wolf (plot 1), but also about rebirth (plot 7): after the girl has been eaten up, a hunter comes and cuts the wolf open, so that she and her grandmother can emerge unharmed from the monster’s belly! In Grimm’s fairytale about the *Shoemaker*, the little elves go to work

night after night, in order to lead the cobbler out of poverty and into unexpected riches (plot 2). The Hobbit goes on a quest (plot 3), and so on.

As we approach Easter (#1984 or so!), perhaps it is worth considering how the gospel story – the story of Jesus Christ, crucified and resurrected – fits into Booker’s seven categories. Or perhaps Booker’s scheme only “works” (if it does!) because each of the seven plots resonates in some way with the *ultimate plot*, the Bible’s story of God’s love and power in action. After all, in Jesus Christ, God overcomes the monster Satan (1) and raises his crucified Son back to life (7); in Christ, the spiritually bankrupt are offered untold spiritual riches (2); in Christ, God comes on a quest to win a bride (3)... In the months and years ahead, whenever we have our nose in a book (or a Kindle\*) may God enable us to hear echoes of the Christian story in apparently “non-religious” fiction.

*Wishing you a blessed  
Easter,  
Revd. Ken.*

# **Appleton Society of Change Ringers**

**Recruits:** Appleton ringers are looking for new recruits to help ring our church bells. The bells have sounded over the village since 1818, when the first 6 bells were given by Robert Southby and we no longer have enough ringers to ring all 10 bells. Most people have the ability to become a good ringer. Great physical strength is not required and people of all ages from 10 upwards are welcome. Perhaps you used to ring and would consider taking it up again? If you think you might be a little rusty, don't worry! You'll be surprised at just how quickly and easily you can pick up ringing again. If you would like to find out about learning to ring then come and see us in the tower between 7.45 pm and 9.00 pm on a Friday evening or contact us by email at [appleton.bells@gmail.com](mailto:appleton.bells@gmail.com) or phone Michele Winter on 01865 864289.

We ring at 9.30 am for the 10.00 am service on the 1st, 2nd, 3rd, and 4th Sundays of the month and from 5.30 pm for the 6.00 pm Evensong service on the 1st and 3rd Sundays. Practice night is Friday from 7.30 pm until 9.00 pm and visitors are always welcome then and on Sundays. We try to keep the Church calendar updated at <http://www.stlaurenceappleton.org> so that you can check, if in the unlikely event, practice night has been cancelled at short notice.

Thank you for donations towards the production of the Advertiser from the Chapel, Appleton Pre-School and the Appleton Trust.

CE is an informal and relaxed seven-week course, suitable for anyone who is wanting to think through some of life's big questions. You don't need to know anything about the Bible, and you won't be asked to pray or sing. You can ask any question you like, or you can just sit and listen. Oh yes – and it is completely free!

Whoever you are, whatever you're thinking, CE is a great place to explore what life is all about. It might just be the best news you've ever heard.

Revd Ken is starting a number of courses over the next few weeks (daytime and evening) - to register interest or for further information, please contact him on 01865 655737 or email...

## Community Emergency Foodbank

We are very grateful to the Village shop for now making space to display permanently for a food collection box for the Community Emergency Foodbank. (This has now moved from Church). Do please donate food there if you possibly can. Especially in the run up to Easter. We are rather short of jars of coffee; drinking chocolate; peanut butter; Bovril & tins of soup. With many thanks for your support. It means so much to those receiving the parcels. If you would like to find out more about the Community Emergency Food website, visit <http://www.cefoxford.co.uk> or contact Lucinda Lewis-Crosby on tel: 01865 864779 or email: [lucinda@lewis-crosby.co.uk](mailto:lucinda@lewis-crosby.co.uk)

## Polite Notice

It's very important that clear emergency access is always maintained to St Laurence Church. Such access – not least for emergency vehicles – is blocked when cars are parked close to either side of the gates mid-way down Church Lane.

The consequences of this if an emergency arose would be very serious and potentially life-threatening, besides totally invalidating Church insurances.

Thank you for sensible and considerate parking.

## Thank you

A huge thank you to all who turned out to de-litter our lovely village. Despite the job getting easier each year, a huge amount of litter was nevertheless collected.

Special thanks must go to our unsung hero John Wadeson who is regularly to be seen in Oaksmere with his dog and a carrier bag of rubbish - keep up the good work John. If anyone is interested in joining the groups next year, please call me on 07876 277394.

*Julie Hester*

## Thank You

Thank you to all who came on Friday 24th February to make this year's Ceilidh a resounding success. From 5 to 86, we all had great fun dancing in the Barn at 'South Lawn' and enjoying a delicious sit down hot supper served by OX13. Thank you to all who donated treats, helped behind the scenes and on the night. In addition, we raised £1600 which will be shared between OXPAT and Church Funds.'

## Our shop has a makeover!

Following on from the Village Meeting, the Shop Board would like to thank all those who attended (and what a turnout!) for their support, goodwill and great feedback. The meeting inspired us to move swiftly into action and we can now report the following:

### SHOP CLOSURE for Refurbishment:

Monday 3<sup>rd</sup> April

AM Shop and Post Office will be OPEN as normal until 12 noon

PM CLOSED

Tuesday 4<sup>th</sup> April SHOP CLOSED

Wednesday 5<sup>th</sup> April SHOP CLOSED

Thursday 6<sup>th</sup> April SHOP CLOSED

Friday 7<sup>th</sup> April SHOP CLOSED

Saturday 8<sup>th</sup> April

SHOP OPEN as normal from 7 am – 1 pm

*The length of the closure is largely driven by the need to relay the floor which has to be done in sections (in order to move fridges etc.), and which takes 24 hours to dry.*

## PLANS in Place DURING CLOSURE

Newspaper deliveries will continue as normal. Pre-paid (or on account) 'shop save' newspapers which are normally collected from under the shop counter will be DELIVERED (for the four days from Tuesday to Friday only, while the shop is closed). Prepaid papers can be collected from the shop up until 12 noon on Monday 3<sup>rd</sup> April when the shop will close.

## TRANSPORT

For villagers who need transport to Wootton or Botley to purchase their groceries during the shop closure, please ring Mary Blake on 862040 or Liz Gilkes on 863640.

The BOARD and MANAGEMENT apologise for any inconvenience caused.

### **RE-OPENING 7am on Saturday 8th April**

Don't expect perfection!

The structural changes will have been made but general signage, labelling, new stock and the much anticipated new till (EPOS) system will not all be in place. This will all take time and we anticipate holding an official re-launch in June (pencil Saturday 17th June into your diary but this is to be confirmed). By then we should be up, running and working well and we will be in a position to ask our suppliers, old and new, to come along to a Shop Event so that you can taste their wares.

*The Board and Management would like to thank you again for the remarkable goodwill and support from the village and in particular to thank the refurbishment team who are driving this project.*

### **Volunteers needed for Saturday mornings!**

Baking, and sorting newspapers.

We have a small group of volunteers who open the shop on Saturday mornings, sort the newspapers and bake croissants and bread for the weekend. Our numbers are diminishing and we'd like more helpers to join the rota.

If you're new to the village and would like to meet more people, or just finding you have more time on your hands, then we'd love to hear from you. Full training will be given.

Contact [ruth.readshaw@yahoo.com](mailto:ruth.readshaw@yahoo.com)

Or phone Ruth on 07979 953011 for more information.

### **Easter Day Sunday 16th April**

## FLEXICARE FUNDRAISING WALK

Does the sound of a lovely walk on and around the Ridgeway, followed by all the (free) cakes and sandwiches you can possibly eat, sound appealing to you? If the answer is "yes", please read on! Flexicare (a small local charity supporting families with severely disabled children in their own homes, and now in it's 32nd year) is holding it's annual fundraising walk on Sunday 7th May from Snells Hall in East Hendred. Booking out is from 9-10am with a choice of a 10 or 5 mile walk, or a 2-3 mile buggy/wheelchair route to choose from. You can register (free of charge) on [www.flexicare.org.uk](http://www.flexicare.org.uk), where you will find registration and sponsor forms and more information if required.

# GARDENING CLUB

The gardening year really has started now, with *Gardeners' World* back on our screens for another series. For those whose garden is perhaps not quite yet up to *GW* presenter Monty Don's standard, the Gardening Club may have the answer in the form of the Club's spring **Plant Sale**, which will take place in the morning of Saturday 20<sup>th</sup> May at the Village Hall. We aim to sell good plants at reasonable prices. Do put the date in your diary. Offerings of good quality plants (vegetables or ornamentals) to be sold are always welcome, so please keep us in mind if you're dividing plants in your own garden.

Our meeting on 8<sup>th</sup> March was extremely well attended, with a good turnout out of members and about ten visitors, who had turned out to hear Rosy Hardy of the well-known nursery Hardy's Cottage Garden Plants in Hampshire speaking on "*Hardy's hardy plants*". Her gardening pedigree is formidable, with a long string of Gold medals at Chelsea and other accolades, and she based her talk round a selection of plants that she had brought examples of, explaining how to treat them to get the best out of them. It was a joy to hear someone so articulate, knowledgeable and enthusiastic – and all without a single photograph or Powerpoint slide.

Our April meeting will be at 7.30 pm on Wednesday 12<sup>th</sup> April, when Sam Mallett from Notcutts at Nuneham Courtenay will speak on "*Planting for spring and early summer*", and she will be bringing some plants for sale. The talk will be at Appleton School. Non-members are welcome to attend, for a £2 fee.

## Lock Rd Access Group

As you know the Lock Road Access Group (LAG) was formed in November 2016.

Since that time, we have been working hard to understand the problems AH Cornish have with trespass over their land. This was one of the key factors behind the closure of the private lock road which had previously been open to the public at the discretion of the land owners for many years.

Unfortunately, a small number of people – from our community and further afield – continue to trespass on land that belongs to AH Cornish. Whilst this continues, it becomes increasingly difficult for the LAG to have meaningful discussions with AH Cornish.

Please can we remind people that there is no direct access to the Thames Path from Green Lane (continuation of Badswell Lane), and there is only restricted access with a permit via the lock road.

Gaps in the hedges along both the Green Lane and the Tennis Club Car Park, however they have been made, must not be used to access AH Cornish's private land, likewise access to the field behind Jubilee park should not be attempted for any reason.

Free access from the village to the Thames Path and Northmoor Lock and Weir is via Appleton Common and Rainbow Bridge.

Two members of the group will be meeting with AH Cornish at the end of the month to continue discussions on how we and the community can work with AH Cornish to resolve ongoing problems.

## EVERGREEN CLUB

Our April meeting is on Friday 7<sup>th</sup> when "The Friendly Folk" will entertain us. Names (& cash) taken for our river outing to Henley on Tues May 30<sup>th</sup>. Bring your friends –only £15 for non-members which includes coach and boat.

Trish Wagstaff (Chairman)

## **Dog fouling in the village – Update**

Thank you to the responsible dog owners who pick up their dog's mess. Unfortunately there is still a dog fouling problem in the village. The parish council has recently reported a parishioner for not clearing up their dog's mess. They will be issued with a fixed penalty fine by the Vale of White Horse District Council. All the council requires to issue a fixed penalty fine is a written statement and your name will be kept confidential. If you witness a dog walker not picking up their dog's mess, please report it to the parish council

The Parish Council, like the Vale of White Horse District Council, takes dog fouling seriously as dog mess is not only unpleasant but also spreads diseases, which can cause illness and even blindness. Two dogs in the village have been seriously ill and taken to the vet due to drinking water that was contaminated by dog poo bags that were not disposed of correctly. Under the Dogs (Fouling of Land) Act 1996 a person who is in charge of a dog must clean up after it when it fouls any footpath, highway, verge or other open space to which the public have access. It is therefore a crime to allow a dog to foul in any public area without clearing it up.

A grey dustbin will be placed on the church side of the gate as a dog waste bin. Thank you to the residents who have kindly offered to empty the bin weekly. Dog poo bags may be thrown in general waste bins situated around the village as well as dog waste bins.

When walking with your dog through Long Close please keep to the paths and pick up your dog's poo and place it in the appropriate bins or take it home. If the situation does not improve then dog walkers will be asked that all dogs be kept under close control at all times.

## **Hattie at Large**

Hello

This is my first spring in Appleton, and I feel so lucky to be here at such a beautiful time of year. The daffodils along the roadside by Field Farm are joyful, as are the many snowdrops and crocuses in our gardens and verges. I'm told to look forward to the bluebells in Besselsleigh Woods, and the greening of the hedgerows and trees.

I must say that walking around has been tricky this winter. The footpaths are all so muddy, especially into Besselsleigh Woods and through Appleton Lower Common, both of which have barely been passable for anyone with restricted mobility. And the walk to the bus stop at Tubney Woods is lethal, with no footway, and fast traffic. There are no easy answers to alleviate these problems, but we all hope that the Neighbourhood Plan can flag this as an area for improvement.

That said, the winter has been relatively mild, but there have been dark mornings and evenings, foggy days and icy roads, all making the village shop such a great resource because it's walkable for most. The variety and range of local produce is welcome too, as well as the seasonal treats like the Seville oranges for marmalade making. I love the range of greetings cards, so handy for a last minute birthday or Valentine's Day!

We benefit from many local amenities in our village – defibrillator at the village hall, the children's playground, as well the post office, lively pub, church and school. All of these facilities are greatly valued and have been outlined in the Neighbourhood Plan. It's up to us all to help protect what makes the village such a great place to live.

If you'd like to see how the Neighbourhood Plan is evolving, you can find out by attending the next meeting planned for early next month, at which everyone in Appleton and Eaton can make their feelings known as part of the consultation process.

There has been some development on the thorny issue of the green belt, so heralded at the last Community Plan meeting. It seems that the Vale of White Horse planners have decided to leave the green belt around our villages intact for now. I'm hoping to find out more at the Neighbourhood Plan Consultation event on 25<sup>th</sup> May. I do hope to see you there. Please continue to introduce yourselves to me – I'll be at various events over the next few months, as well as at the school, shop and church, now that the weather is more clement. That's it for now,  
Hattie
